

HOCKENHULL PLATTS

Access: Have you got your permit?

Access to this site is restricted. Permits are required, these are obtainable from Cheshire Wildlife Trust; please email Jacki Hulse, Head of Estates & Land Management, on jhulse@cheshirewt.cix.co.uk to apply for one.

The reserve can be adequately viewed from the pack-horse track which is a public right of way.

Location: Hockenhull Platts lie on the west bank of the River Gowy at the point where the old pack-horse track from Tarvin to Chester crosses the river at 'The Roman Bridges' (O.S. Grid Ref.: SJ476657).

Habitat Summary

Two species-rich, wet meadows with a wide variety of plants, including marsh marigold, ragged robin, fleabane, greater burnet and lady's smock. The area is rich in bird life, including grasshopper, sedge and reed warblers.
