

## HOGSWOOD COVERT

**Access:** The reserve is kept locked and to visit, members must obtain the key from Cheshire Wildlife Trust HQ. Please email Jacki Hulse, Head of Estates & Land Management, on [jhulse@cheshirewt.cix.co.uk](mailto:jhulse@cheshirewt.cix.co.uk) to acquire one.

**Location:** The reserve is about 2 miles (3.2km) north west of Altrincham. It is on the opposite side of the lane to Brookheys Covert (O.S. Grid Ref.: SJ745904).

### Habitat Summary

A damp, deciduous woodland containing several ponds. Dominant trees are oak and hazel. Ground flora includes wood anemone, bluebell and wild garlic.

Don't forget to submit your records via the link on the CWT website reserves page.
