

# INTAKE WOOD

**Access:** Please contact Cheshire Wildlife Trust on 01948 820728 before visiting.

**Location:** Intake Wood is between Raby Mere and Bromborough, along the north bank of the Clatterbeck and the west bank of Dibbinsdale Brook. It is close to Thornton Wood and Foxes Wood which are also Cheshire Wildlife Trust nature reserves (O.S. Grid Ref.: SJ334812).

## Habitat Summary

The reserve is a steep wooded slope along the north bank of the Clatterbeck and at its east end incorporates an area of wet meadows on the west bank of Dibbinsdale Brook.

Don't forget to submit your records via the link on the CWT website reserves page.
