

POORS WOOD

Access: The reserve is open to all. Please keep to the public footpath and towpath.

Location: Poors Wood lies near Northwich, in Vale Royal (O.S. Grid Ref.: SJ650714). It occupies 4.5 hectares (11.1 acres).

Habitat Summary

A semi-natural woodland, damp in places, sloping steeply down to the River Weaver. The ground flora is dominated by bluebells in spring. There is a small area of grassland adjacent to the wood.

Don't forget to submit your records via the link on the CWT website reserves page.
