

SWETTENHAM MEADOWS

Access: The reserve is open to all. Please keep to the paths.

Location: Swettenham Meadows reserve is situated five miles from Holmes Chapel. Follow signs to Swettenham either from the A535 (Chelford to Holmes Chapel), the A34 (Alderley Edge to Congleton), or from the A54 (Congleton to Holmes Chapel).

Habitat Summary

The meadows are made up of several grassland and mire communities. The site contains a series of ponds rich in aquatic invertebrate/amphibian life and a broadleaved semi-natural woodland dominated by alders, which makes up approximately 5 acres of the 21-acre site.

Don't forget to submit your records via the link on the CWT website reserves page.
