

THORNTON WOODS

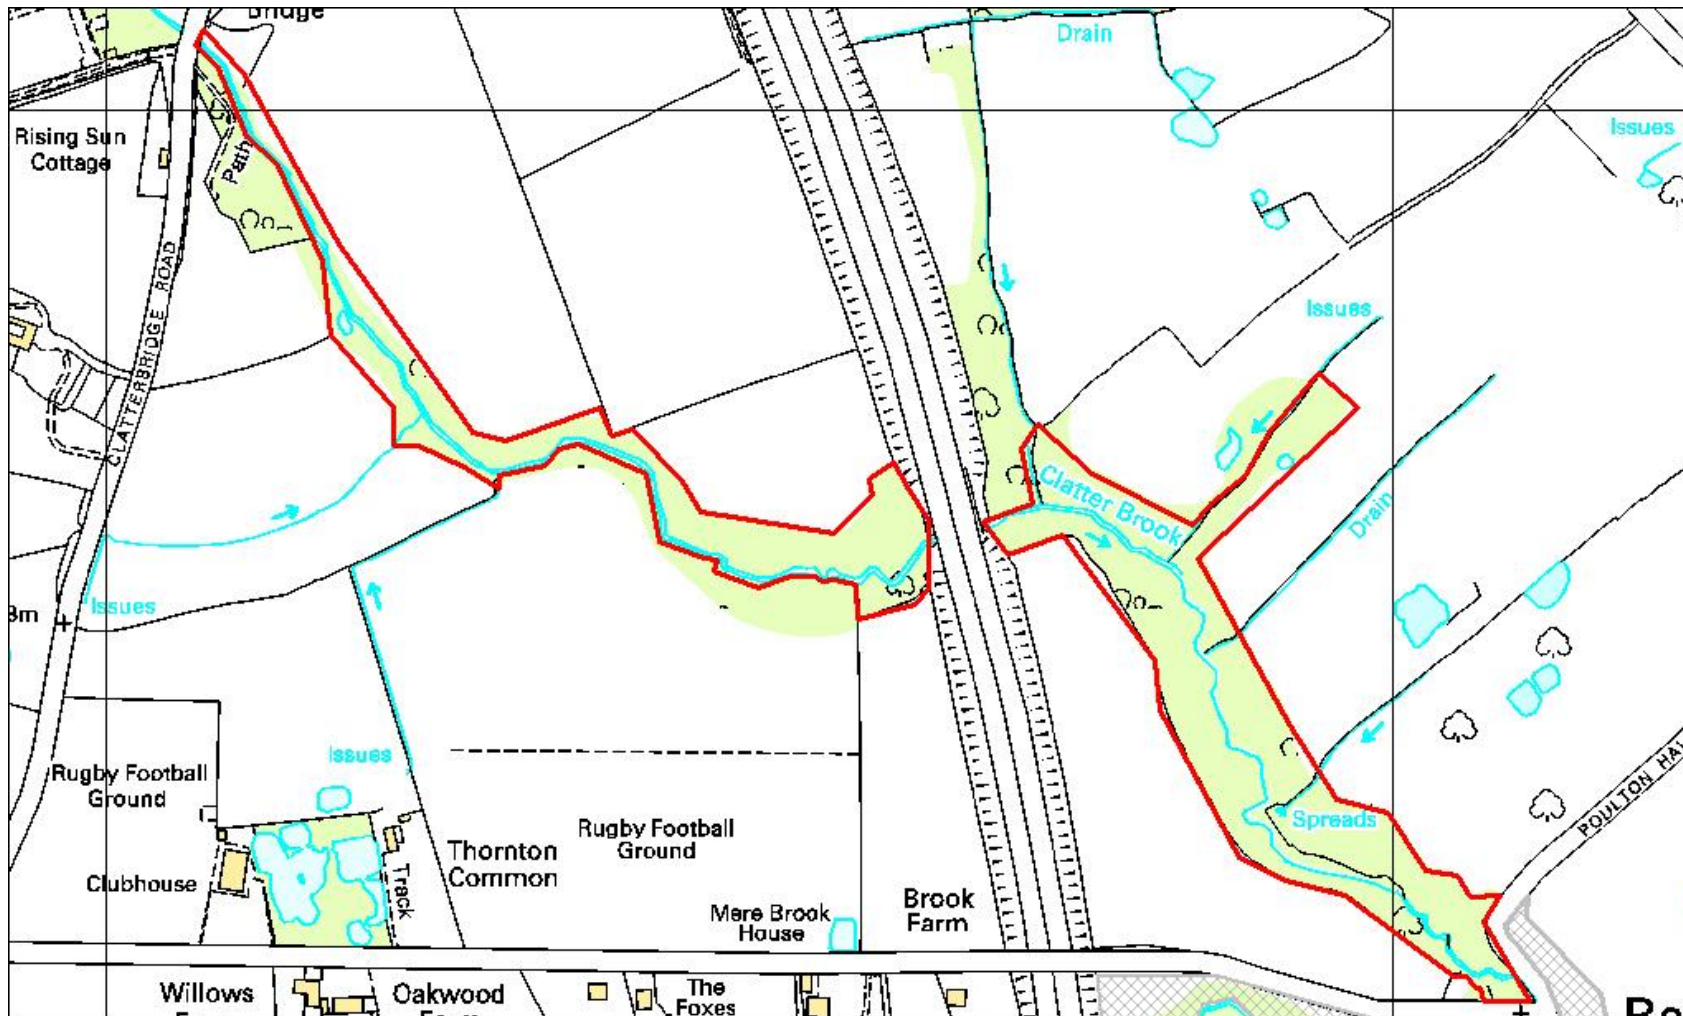

Access

As there is a shooting tenant at this reserve a joint safety scheme has been devised, details of which can be obtained from the Reserves Manager or Conservation Officer. Please contact us on 01948 820728 or email us at info@cheshirewt.cix.co.uk before considering a visit.

Location

Thornton Wood lies astride the M53 along the Clatterbeck Brook, south of Bebington, west of the main Dibbinsdale Woodland Complex (O.S. Grid Ref.: SJ329815).

Habitat Summary

The reserve occupies 15.41 acres (6.24ha.) and is part of an ancient woodland (SSSI). The woodland is largely ash and oak with hazel and hawthorn in the understorey. There is also a pond and a stream.

Don't forget to submit your records via the link on the CWT website reserves page.
